

RULES OF THE GAME "GIOCO NOSTRO"

Goal of the game Gioco Nostro

Player has to build own net «Rete Nostra», upgrade himself from level «Novizio» till level «CAPO NOSTA» and receive to personal bank account a game premium, amount of which depends on selected by the Player game rank and game price.

Game rules

A Player has to register, select game rank and game price, to join one of the current active Games of the relevant rank and price, pass to level «Novizio».

After payment of the entry premium is done, new Player «Novizio» is up-graded to the level «Venditore» and starts building own «Rete Nostra» where the Player shall reach the top level «Capo Nostra».

Subject to the rank of the game «Venditore» has to involve three, four or five new players.

After involvement of every new player - «Venditore» receives to his personal bank account premium. After involvement of required number of new players («Novizio»), «Venditore» is up-graded to the next game level («Comandante» (subject to game rank), «Osservatore» (subject to game rank) and «Capo Nostra»).

Game is finished, when Player reached «Capo Nostro» level – Player receives funds to his bank account and current game for him is over.

Further Game continues for the rest of the members of the «Rete Nostra», where place of the «Capo Nostro» (which has left the game) is taken by the «Venditore», («Comandante» (subject to game rank) or «Osservatore» (subject to game rank).

NOTE:

Individual Player can participate in a specific game «Rete Nostra» only one time.

However, the Player may participate in unlimited number of separate Games «Rete Nostra».

Registration in the Game

New Player:

- familiarize himself with and accepts Rules of the Game, Terms and Conditions of Service;
- agrees with transfer of personal data and fills-in registration form.

Rank and price of the Game

The Game may have three, four and five ranks. Subject to game rank, the Player has to up-grade three, four or five levels:

- the new comer – «Novizio».
- the seller – «Venditore»
- subject to rank of the game – third level – «Comandante»;
- subject to rank of the game – fourth level – «Osservatore»;
- Top level in the Game - «Capo Nostro».

Стоимость Уровня	50	100	200
3	3 X 50	3 X 100	3 X 200
4	4 X 50	4 X 100	4 X 200
5	4 X 50	4 X 100	4 X 200

The Player voluntary selects game price and game rank, to which he joins.

After selection of the game price and game rank, shall appear information about current games and relevant to chosen game price and rank. Offers of various «Venditore» shall be displayed.

Fund transfers in the Game

After selection of specific «Venditore» the «Novizio» has to pay entry fee as per details, generated by pay-service, provided by third party.

Amount of the entry fee depends on the selected by the Player price of the Game.

From the amount of the entry fee, paid by the «Novizio», operator of the Game ensures payment to personal bank accounts of the «Venditore» and «Capo Nostra», keeps service fee.
